ABSOLUTELY NO BACKPACKS OR HUGE POCKETBOOKS/HANDBAGS WILL BE ALLOWED IN THE WAREHOUSE

Walk-through Information

Walk-through day is always the Thursday before the auction between 7:30am and 4:00pm. You may register either Thursday (walk through) or Saturday (auction).

No one is allowed to come in on Friday, so that the warehouse can be straightened up and items put back in their places.

Auction Information

The doors open auction morning at 7:30 am and the auction begins at 9 am. Items may be inspected the morning of the sale until the auction begins. After the auction begins, nothing can be taken from the shelves.

You may register to bid at any time during the day. Bidder cards are only good for one auction.

There is no charge to register. A driver’s license or state issued picture ID is required. You will be given a bidder number and you must be present to bid on items.

There are usually around 600-800 lots in the sale. Lots are numbered, and a printed list will be available. The auction list is followed exactly, no breaks or lunch breaks will be taken.

All items are sold “As is, Where is” with no warranties or guarantees. We accept no returns and no refunds will be given. Every effort is made to insure the auction list is correct, but inspection of items (before bidding) is urged.

Vehicle titles will be made out in the name of the registered winning bidder. No exceptions.

Payment Terms

All Items must be paid for within 30 minutes of the end of the sale. Failure to pay will result in the bidder being debarred from all future VT Surplus Property sales.

Tax exempt forms must be presented BEFORE payment. NO EXCEPTIONS. Tax will not be removed from purchase for failure to present form prior to payment.

We accept: Visa or Master Card. “In state” checks are accepted up to $1000.00. No “out of state” checks without a bank letter of guarantee. A $50.00 administrative charge, plus all legal and / or collection charges will be charged for all returned checks and future checks will not be accepted.

A paid receipt must be shown for all items, before they can be taken out of the building.

All items must be picked up within 2 days, (after which a storage charge of $5 a day, per item will be charged). Ownership of any item which has not been picked within the week following the sale reverts back to Virginia Tech. The item will be resold.
